Trotzky In Mexico

Leon Trutzky is on his way to Mexico, to take up his exilo in a land which invited his presence presumably because it finds nothing objectionable in him as an inler nationally Jamous Communistic philosopher

This means that trotzin who has been maying from one place to another in Lunoral ever since he last out in the shuffle after I cain a death will be closer to the United t-tates than he ever hus been since the establishment of communism in Russia

It will mean that his influence will be radialed in Mexico which has promised to give him refuge only so long as he behaves Due to Trotzky s reputation as a man who is haid to accommodate under testifetions considered essential to notifical stability it is going to be interesting to see what hap pens when he gets established on this

He may be sure that his comings and time it might be a good idea for alaimists to bear in mint that Mr Trotzky a influ ence as an exile in Mexico probably wont any gienter than his influence in Nov was where he found his list exile.
